DID YOU KNOW?

- More than 1 in 3 women and more than 1 in 4 men in the U.S. have experienced rape, physical violence and/or stalking by a partner in their lifetime.

- Approximately 17,000 domestic violence incidents are reported to law enforcement in San Diego County each year.

- 15.5 million children in the U.S. live in families in which partner violence occurred at least once in the past year.

DOMESTIC VIOLENCE IS A SERIOUS CRIME

This publication was financially assisted by the California Governor’s Office of Emergency Services (Cal OES) grant number XC16 01 0370.
**WHAT IS DOMESTIC VIOLENCE?**

Domestic violence, also known as intimate partner violence, is a pattern of behaviors used by one partner to maintain power and control over another partner.

DV relationships may include current or former spouses, dating partners, girlfriends/boyfriends, fiancés, and individuals with a child in common.

Female and male teens, adults and elders may experience domestic violence.

---

**TYPES OF ABUSE**

**PHYSICAL ABUSE** — Examples include slapping you, pulling your hair, preventing you from calling the police or seeking medical attention.

**EMOTIONAL ABUSE** — Examples include isolating you from friends and family, acting jealous or possessive, threatening to harm you or your loved ones, humiliating you, blaming the abuse on you, calling you names, insulting you.

**SEXUAL ABUSE AND COERCION** — Examples include demanding sex when you are hurt or tired, holding you down during sex, insulting you in sexual ways, forcing you to dress in a sexual way, pressuring you to perform sexual acts.

**FINANCIAL ABUSE** — Examples may include forbidding you to work, refusing you access to money for expenses like food, clothing, medical care, giving you an allowance, preventing you from accessing/viewing the household bank account.

**STALKING** — Examples include leaving unwanted gifts, flowers, messages, making unwanted calls to you, showing up at your home or work uninvited.

---

**WATCH FOR RISK FACTORS**

- Increasing severity or frequency of physical violence
- Access to a firearm
- Uses or threatens to use a weapon against you
- Threatens to harm or kill you or your loved ones
- Uses drugs or is a problem drinker
- Leaves you threatening notes, spies on you, calls you when you don’t want him/her to
- Controls your daily activities
- Has harmed you when you are pregnant
- Threatens to commit suicide
- Has forced you to have sex
- You are leaving or recently left an abusive relationship

---

**YOU DESERVE TO FEEL SAFE AND RESPECTED IN YOUR RELATIONSHIPS.**

---

**WHAT ARE SOME WARNING SIGNS?**

- Extreme jealousy
- Insults you, shames you, deems you
- Controls the household money
- Acts in ways that scare you
- Destroys your property
- Threatens to harm you, your family, children, or others around you
- Controls who you see, where you go or what you do
- Prevents you from working or going to school

---

**STRANGULATION (“CHOKING”)**

*Has your partner put their hands on your neck or throat?*

Strangulation is very dangerous. When the body is deprived of oxygen, loss of consciousness will result and, if continued, ultimately death. Loss of consciousness may happen within seconds and death within minutes.
