## DA Releases Photos of Stolen Property Hoping to Locate Additional Victims

### *Defendant Accused of More than Two Dozen Residential Burglaries*

The [San Diego County District Attorney's Office](#) is asking for the public's help in reuniting possibly stolen property with its rightful owners and identifying additional victims in connection with a residential burglary series. Cesar Murillo, 48, was arrested and charged in connection with a total of 27 burglaries that occurred throughout San Diego County between August 2015 and August 2016.

“During the course of the search of his vehicle they found information that led them to the storage facility where numerous items of stolen property was identified and is currently part of the charges against this suspect,” said Deputy District Attorney James Koerber, who is prosecuting the case. “A lot of the other property we believe is recognizable but has not been identified by a victim to date.”
